Time	Activity or Summary of Participant's Verbalisation	Comments by Observer
		<b>TASK 1</b>
0:22	Took some time to choose a spaceship (looking at all the designs) once they made a decision joining the game was easy. (2 interactions)	Can you please choose a spaceship then join the game
		<b>TASK 2</b>
0:45	Dragged first block from the block selection into the code view to place it. Tried looking for an "X" to remove. Figured out to drag it back to the selection window. (4 interactions)	Can you please click and drag a code block onto the screen? Once you've place it, try to remove it.
		<b>TASK 3</b>
0:58	Easily found the points. The placeholder "STATS" threw them off but correctly guessed that is where the info was.	Can you show me how many points you have? Where can you find information about your space ship?
		<b>TASK 4</b>
1:18	"It's un upgrade" – in response to question. Clicks the plugin button, then the more info button to get more information about the new block. Clicks continue once it opens. (3 interactions)	Ok, the round has just ended and this window pops up. What do you think it is? Yep, so it's a new code block. Can you please get some more information about it and then continue?
